

## **Hotham Primary School**

### **PE and Sport Premium Report 2022-23**

#### **Purpose of the PE and Sports Premium**

It is expected that schools will see an improvement against the following five key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that you should use the premium to:

- develop or add to the PE and sport activities that Hotham already offers;
- build capacity and capability at Hotham to ensure that improvements made now will benefit pupils joining the school in future years.

Our total Sports Premium funding for this academic year is **£18,930**.
