The importance of reading

- Reading is life-changing
- Families can help us by reading with their child every day (if possible) until children are reading fluently independently.
- Reading should be recorded in their Reading Record books a minimum of 4 times a week.
- Depending on your child's age/ability you may want to read to them, with them or have them read out loud to you.
- Confident readers in Year 5 and 6 can read to themselves and record their reading independently in Reading Record Books.
- Reading Book and Reading Record Book should come to school every day

Home Learning - each week on GC

Phonics/spelling – Pupils in Y1 be set spelling words every week.

- They will be quizzed on these words in class (low-stakes, low stress)

Numbots – Please support your child to log in to Numbots Y1

Around 10 minutes, three times a week. Little and often is best!

Home Learning - Termly creative activities

Optional Creative Projects – Each term, your child will be set a variety of open-ended activities

- Any books ordered via Amazon will be delivered to our school office. Please add a note when you place the order saying who it is from.
